

ff PASSION

PA
105

PASSION FOR DESIGN

The smallest RIC instrument

- Virtually invisible
- Smallest housing

Passion for style

- Modern colours and selection
- Dispenser interchangeable top shells
- Client interchangeable microphone grids

PASSION FOR PERFORMANCE

ISP platform

- Broadband Locator
- Classic Noise Reduction with SIS
- Feedback Canceller

Cost-effective

- Low battery consumption with EcoTech II
- Modular receiver and wires

PASSION FOR INNOVATION

Instant wearing comfort

- Open, closed and vented instant-fit receiver ear-tips
- Custom ear-tips through CAMISHA® technology
- NanoCare™
- Flexible venting options

Fitting precision

- because passion is personal
- Sensogram™

PASSION FOR SOUND

Superior sound quality

- Fuller sounds with a 10 kHz bandwidth
- The first solid closed instant-fit solution with Stable Sound Delivery™
- Natural sound through Sound Harmony™

TECHNICAL DATA

Widex Passion™ PA-105

Based on the renowned ISP platform from Widex. The PA-105 combines the innovation and performance of the world's most advanced hearing aid platform with a refined and practical Receiver-In-Canal (RIC) fitting.

Widex RIC features:

- 10 kHz bandwidth
- Stable Sound Delivery™
- Sound Harmony™
- Flex/Open fitting
- Instant/Custom receiver ear-tip
- Selection of 24 colour combinations
- Changeable grids

Integrated Signal Processing:

Sound processing in 5 channels:

- Broadband Locator
- Feedback Cancelling
- Classic Noise Reduction with SIS
- Enhanced Dynamic Range Compression (EDRC)

Sound analysis in 5 bands:

- Sound Diary
- Speech and noise tracer
- S/N ratio tracer
- Spatial sound tracer
- Feedback tracer

System optimiser:

- Battery monitor
- EcoTech II
- Multi-point microphone matching

Fitting with Compass and iP5:

- Fitting wizard
- Sensogram™
- Feedback test
- Occlusion manager
- Master fine tuning handles
- Fine tuning with gain matrix handles
- Interactive SoundTracker
- 3D Tutor
- Personalised user instructions
- Self test
- Questionnaires
